

31st August 2017

To the parents/carers:

After a successful pilot, we are now using Show My Homework for all year groups. Show My Homework is an online tool to help you keep track of your child's homework. For the next academic session, we will also provide pupils with a paper planner.

Show My Homework will allow you to see the details of the tasks your child has been set, all their deadlines and their submission status and grades. We have decided to pilot this system to improve the way we communicate with parents and give you greater visibility into the homework we set.

Today your child has been shown how to log onto Show My Homework and has been given a **letter with a Pin number for your use**. This pin number is provided with login details to your personal account which is linked to your child's homework calendar where you will be able to see your child's To Do list and any homework that is overdue.

To view all homework set please visit **Show My Homework webpage** <https://www.showmyhomework.co.uk/> or the link for Show My Homework will be added to our school website <http://stmodans.co.uk/>.

Please note you will need to use the filter options at the top of the page to find your child's homework.

Benefits of this application include:

- ❖ 24/7 access
- ❖ View quality and quantity of homework
- ❖ Translation into over 50 languages
- ❖ Apps available for iPhone, iPad, iPod Touch and Android devices
- ❖ Receive automated notifications before homework is due

To keep up to date on the move please download the **Show My Homework app** once you receive your login details, you will then be sent push notifications to let you know what homework is due. You will also be notified of grades, overdue homework and announcements/events.

If you or your child have any questions about the service, please don't hesitate to get in touch with the team at Show My Homework, who are always happy to help. Just email help@showmyhomework.co.uk or call 0207 197 9550.

If you'd like to get in touch with the school or provide feedback, please contact the school office.

Thank you once again for your support.
