## **Google Classroom**

Google Classroom is where most of your online learning will take place.

Please use the Google Chrome browser.

Go to: https://classroom.google.com/u/0/h

| My Login Details   |
|--|
| This is the same as your Glow login. For example:                            |
| Username: <u>Smithj05@glow.sch.uk</u>  |
| Password: glowpassword   |
|  |
| For Google classroom, you replace the end (@glow.sch.uk) with the following: |
| @stirlingschools.net   |
| Therefore, login details would be:   |
| Username: <u>Smithj05@stirlingschools.net</u>                                |
| Password: glowpassword   |
|  |

Log into this page using your school Glow email address.

Which is your school Glow username with "@stirlingschools.net" at the end.

Your Google Classroom will look something like this. Each subject or class will have its own classroom tab. Click one of these tabs to open your subject and see what your teacher has posted.

Here you can see what the teacher has posted in the 'Stream' tab. This will be simple instructions, short activities, links to teaching websites, and teaching YouTube videos.
