4th May 2020

Dear Parent/ carer,

RE: Transition to St Modan's High School for August 2020

I hope this letter finds you and your family well. I wanted to contact you to reassure you that we will continue to plan transition activities for all of the primary pupils who will join us in August 2020. We are looking forward to welcoming our new S1 in August and will do all we can to support a successful transition over the course of this term.

The New S1 staff team is as follows:

S1 Principal Teacher of Pupil Support and Development:	Miss J Sinclair
Depute Head Teachers for S1:	Mrs Shandley and Mrs McGeehan
PT ASN & Inclusion:	Ms C Warkentin

The plans for this term will include:

- Virtual meetings between your child's primary school and our S1 Team to gather information
- Making up the S1 classes and organising the S1 timetable
- Organising a **New S1** online platform to share information; answer questions; undertake some different Health and Wellbeing activities. As we are across three local authorities this is proving a challenge, but we are working with IT support and will get details out as soon as we can.
- Preparing a series of newsletters to share information about high school that you and your child would ordinarily receive through visits and the parent/carer open morning
- Working with ASN Outreach and our own ASN & Inclusion team to plan some enhanced transition activities

I will be back in touch soon with further information. In the meantime, please consider following the Pupil Support Twitter account and we will post further information as and when it is available @stmodans_psd.

Kind regards,

Mrs Shandley

Depute Head Teacher
