Dear Parent/Carer

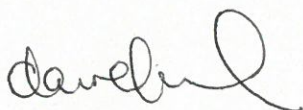

It is with great sorrow that I am letting you know that a much-loved member of our staff, Pauline Hogg, has died. Miss Hogg worked in our Science Faculty and was part of the S4 PSD Team. She was a valued and loved part of our community.

Although our young people knew that Miss Hogg was seriously ill, many will still be very distressed by this news. No-one wants to see young people sad or distressed. Emotional and spiritual support will be on hand to help our young people deal with bereavement as we move forward. I am sure there will be many parents who are also saddened by the news.

I am sorry to be the bearer of such sad news, but I appreciate an occurrence like this impacts our whole school community. I am so grateful for the strength of our Catholic community. I know, together with our faith we will be able to guide and support our young people and staff through what may be, for many, a very distressing situation.

Please remember Miss Hogg, her family and our community in your prayers.

Kind regards

C Friel  
Headteacher
